Year 3
Homework Challenge – Autumn 2020

We would like children to select at least one of the homework challenges below for this term, however children can do as many as they wish. This will continue to be run alongside the regular reading, spellings, maths and English homework that are set.

History	Science	Geography
The Greeks enjoyed playing music. Research what instruments they played. Can you make an Ancient Greek instrument?	Use the poem about a year in the life of a frog. Design a calendar showing what happens in each month.	Design a treasure map using the grid provided. Where is the hidden treasure?
RE	**ICT**	**Art**
Retell the story of Rama and Sita in any way you like. It could be a drawing, a comic strip or using puppets.	Think about all the ways you use the Internet in your life. Add your thoughts to our class blog on Purple Mash.	Choose something at home to draw using a continuous line in the style of Paul Klee.

The challenge work is due in on **Monday 19th October** and photos need to be uploaded for it to be celebrated. The above menu details a range of work for the subjects that your child will cover this term.

The children will have their 'Homework Challenge book' to record their homework in if they wish. However, depending on the option they choose, the children may choose to record their homework in a different way that doesn't involve using their homework book. We do ask that everyone has a go at this homework, so they all have something to share at the end of each term. We thank you for your continued support.
