Year 3
Homework Challenge –Summer term 1 2022

We would like children to select at least one of the homework challenges below for this term, however children can do as many as they wish. This will continue to be run alongside the regular reading, maths and English homework that are set.

History – The War of the Roses	Science – Light and Optics	Geography – Japan
 Make your own Tudor rose- be as imaginative as possible.	 Create a shadow puppet performance of your favourite fairy tale. Share it on Class Dojo video- we will only show the class with your permission.	 There are many famous Japanese businesses that you will know. How many can you find? **THIS WILL BE USED AS PART OF YOUR GEOGRAPHY UNIT.**
French- Ma famille	**Art and DT- architecture**	**PSHE – Relationships**
  Make a family album naming all the people in your family and their relationship to you. Describe their characteristics for an extra challenge!	 Have a go at making a gingerbread Parthenon. Then have fun eating it!!!	 Design a poster showing the ways in which you would solve friendship problems. How would you mend friendships?

The challenge work is due **w/b 23.05.22** and we expect a photo uploaded onto Class Dojo with a little explanation about the homework.
We do ask that everyone has a go at this homework so they all have something to share at the end of each term. We thank you for your continued support.
