Year 2

Homework Challenge - Spring Term 1 2025

We would like children to select at least one of the homework challenges below for this term, however children can do as many as they wish. This will continue to be run alongside the regular weekly homework.

Art/D.T– Portraits and Self-Portraits Draw a self portrait Create a Picasso style portrait	Science – The Human Body Draw and label the human body. Try to include the names of some of the bones and organs. Create an information leaflet about different systems in the human body e.g. the digestive system – the process of our bodies digesting food.	Geography – The British Isles Plan a holiday to a country in the British isles including how you would get there and what you could do in that country. Create a map of the British isles, labelling the different countries.
Computing- Pictograms Create a pictogram to show your families favourite fruit. Can you create a tally chart to show how many books you read this half term?	RE – Islam – Community & belonging Draw a picture of a Mosque and try to label it. Think about and then write a list of things you are committed to. E.g. To learn to play the flute I would have to go to lessons and practice at home.	PSHE – Dreams and goals Design your own dream jar. Create a vision board to motivate you towards your goals.

Take a photograph of your homework challenge and upload it onto ClassDojo to the portfolio named 'Spring 1 homework challenge' or bring into school by Monday 10th February. We will share the homework challenges at the end of the term and celebrate our achievements.

Thank you,

Miss Hewitt and Mrs Taylor.
