The challenge work is due in the week commencing **16th December 2024**. The above menu details a range of work for the subjects that your child will cover this term.

Depending on the option they choose, the children may of course choose to record their homework in a different way that doesn't involve using pen and paper.

We do ask that everyone has a go at completing one of these homework tasks so they all have something to share at the end of each term. We thank you for your continued support.
