Year 6

Homework Challenge – Autumn Term 2, 2020

We would like children to select at least one of the homework challenges below for this term, however children can do as many as they wish. This will continue to be run alongside the regular reading, spellings, maths and English homework that are set.

<p>PSHE – Celebrating Difference</p> <p>Find a quote that promotes an attitude of acceptance of people's differences and a belief in equality for all. Celebrate the quote by turning it into a poster. You might like to display your poster in a window or somewhere around your home.</p> 	<p>Science – Classification</p> <p>Conduct a survey of your garden or a public space and record the range of animal life that you find.</p> <p>Can you classify each animal based on its characteristics?</p> 	<p>Geography – North America</p> <p>Choose one of the 50 states of the U.S.A and create a fact file about it containing important and interesting information. Don't forget to include a map to show where it is in the country.</p> 
<p>History – World War 1</p> <p>Create a poster that might have been carried by a protester campaigning for women's rights during the Suffragette movement.</p> 	<p>RE – Christianity</p> <p>Design and make a Christmas card for a loved one that carries a Christian theme.</p> 	<p>PE</p> <p>Create an acrostic poem about the world-famous Wimbledon Championship tennis tournament:</p> <p>W I M B L E D O N</p> 

The challenge work is due in **on Friday 11th December** and during the week each child will get to present their work and for it to be celebrated. The above menu details a range of work for the subjects that your child will cover this term.

Any Homework Challenges completed should be stuck in your child's homework book and a photo posted in the new Homework Challenge portfolio.

We do ask that everyone has a go at this homework, so they all have something to share at the end of each term. We thank you for your continued support.
