Year 1

Homework Challenge – Autumn Term 2, 2021

We would like children to select at least one of the homework challenges below for this term, however children can do as many as they wish. This will continue to be run alongside the regular reading, spellings, maths and English homework that are set.

English – Information Find out 4 facts about Father Christmas. Create your own information sheet. Don't forget to use a title and subheadings (i.e., What does he like to wear?'. 'Where does he live?' etc.). You will need to add a picture or two! Don't forget to use capital letters and full stops.	Science – Animals and their needs Draw a picture of carnivores, herbivores and omnivores. Write a sentence about each of your animals.	PSHE – Celebrating Difference Draw a picture of a friend. What qualities and behaviours make your friend the same as you. Write them around your picture. In a different coloured pencil, write what qualities and behaviours make your friend different from you.
Maths – Make a model out of 3D shapes. Take a photo of it and draw a picture. Can you name the shapes that you used? Write a list of what 3D shapes you used to make your model.	RE – The Christmas story Draw a picture and write a sentence to say what gift you would take to Baby Jesus and why.	History – Discovering History Make your own family tree. Can you add pictures of your siblings, mum and dad, nans and grandads, etc? Can you add lines between them to show how they are related. Do you know everybody's name?

The challenge work is due in on **Monday 13th December**. During the week each child will get to present their work and for it to be celebrated.

The above menu details a range of work for the subjects that your child will cover this term. Any Homework Challenges completed should be uploaded to the Dojo portfolio. We do ask that everyone has a go at this homework, so they all have something to share at the end of each term. We thank you for your continued support
