Year 5

Homework Challenge - Spring 2 2022

We would like children to select at least one of the homework challenges below for this term, however children can do as many as they wish. This will continue to be run alongside the regular reading, spellings, maths and English homework that are set.

<p><u>History - The Abolition of Slavery</u></p> <p>Write a diary entry from the point of a slave who is being traded between countries. Consider their thoughts and feelings about being treated as a piece of property and having to leave their family.</p>	<p><u>Science - Forces</u></p> <p>Create a model that proves that forces exist. You can focus on one type of force or multiple.</p> <p>Make an educational poster about Forces that could be used in schools.</p>	<p><u>Geography - Australia</u></p> <p>Design a leaflet that could be used to bring more tourism to Australia.</p> <p>Create a news article or broadcast (film) about the Bush Fires currently happening in Australia. Think about the causes and the impact on wildlife.</p>
<p><u>Music - Hip Hop</u></p> <p>Create a music video to an old Hip Hop song of your choice. You could film yourself rapping the lyrics.</p> <p><u>(Please make sure you have the permission from an adult at home to do the song you choose).</u></p>	<p><u>RE - Christianity</u></p> <p>Create an information leaflet about the history of the Easter Story</p> <p>Make a list <u>each day for a week</u> of some of the things you have done which show goodwill, kindness and unselfishness. How have people responded? Has your action brought happiness?</p>	<p><u>PSHE - Healthy Choices</u></p> <p>Set yourself a goal to achieve and keep a diary about your experience of keeping this goal. For example, you might want to try and eat healthy for 2 weeks.</p> <p>Create an instruction poster that could be used in school to help put someone into the recovery position.</p>

The challenge work is due in on and during the week each child will get to present their work for it to be celebrated. The above menu details a range of work for the subjects that your child will cover this term.

The children will have their 'Homework Challenge book' to record their homework in if they wish. However, depending on the option they choose, the children may choose to record their homework in a different way that doesn't involve using their homework book. We do ask that everyone has a go at this homework, so they all have something to share at the end of each term. We thank you for your continued support.
