Year 2

Homework Challenge – Second Summer Term 2021

We would like children to select at least one of the homework challenges below for this term, however children can do as many as they wish. This will continue to be run alongside the regular weekly homework.

D.T– Moving vehicles Use Lego or Mechno or any other construction material to build a moving vehicle with wheels.	Science – Astronomy Pick your favourite planet from the Solar System and try to write a fact-file about it. See if you can include information about its size, colour and temperature. Don't forget to add a detailed picture too!	History – The Saxons and Vikings Research either a Viking long boat or Anglo Saxon houses. Present your research either in drawing, fact file, model or any other way to show me what you have found out.
Music – Friendship Song In Music this term we will be learning a friendship song. Think about one of your special friends and see if you can write a short song or rhyme about them.	RE – Islam – The Hajj Write or draw about a special journey you have been on. What made it special?	PSHE – Changing Me Draw a picture showing the life cycle of an animal of your choice. Think about how they change as they grow and add some labels to explain the different stages you have drawn.

The challenge work is due on **Monday 12th July**. Take a photo of your homework and upload it onto ClassDojo, into the portfolio called Summer 2 Homework Challenge. Please don't bring any pieces into school!

Mrs Ward and Miss Hewitt
