## Year 2

### Homework Challenge - Autumn Term 1 2020

We would like children to select at least one of the homework challenges below for this term, however children can do as many as they wish. This will run alongside the regular reading, spellings, maths and English homework that are set.

<b>PSHE - Being me</b>  Draw a picture of yourself doing some of the things you are responsible for at home. E.g. keeping your bedroom tidy, looking after your toys. Try to write some sentences explaining your responsibilities.  Write a letter to one of your school friends explaining our class learning charter and why it is important to make it work in our class.	<b>Science - Living things and their habitats</b>  Create an information booklet about one of the habitats we have learned about. E.g. desert, meadow, underground, rainforest. Which animals and plants live there? How are they adapted to survive in their habitat?  Create a habitat diorama. Make sure you can talk about that habitat confidently.	<b>Geography - Spatial Sense</b>  Create a map of the local area.  Plan and go on a walk around your local area. Take photos to show your route!
<b>Computing- Information Technology all around us</b>  Create a poster showing the information technology that you and your family use at home.  Write a set of e-safety rules that could be shared with all children in the school.	<b>RE- What did Jesus teach us?</b>  Create a story map to retell a parable Jesus told.  Write a poem about ways to be kind.	<b>Art/D.T- Colour, Shape and Texture</b>  Create a colour wheel showing the primary and secondary colours.  Make a picture using only 2D shapes.

Take a photograph of your homework challenge and upload it onto ClassDojo to the portfolio named 'Autumn 1 Homework Challenge'. We will share the homework challenges at the end of term in the week commencing 18<sup>th</sup> October 2021 and celebrate our achievements.

Thank you,

Mrs Jones and Miss Hewitt.
