

Safer
Internet
Day

2023 ASSEMBLY

What is Safer Internet Day?

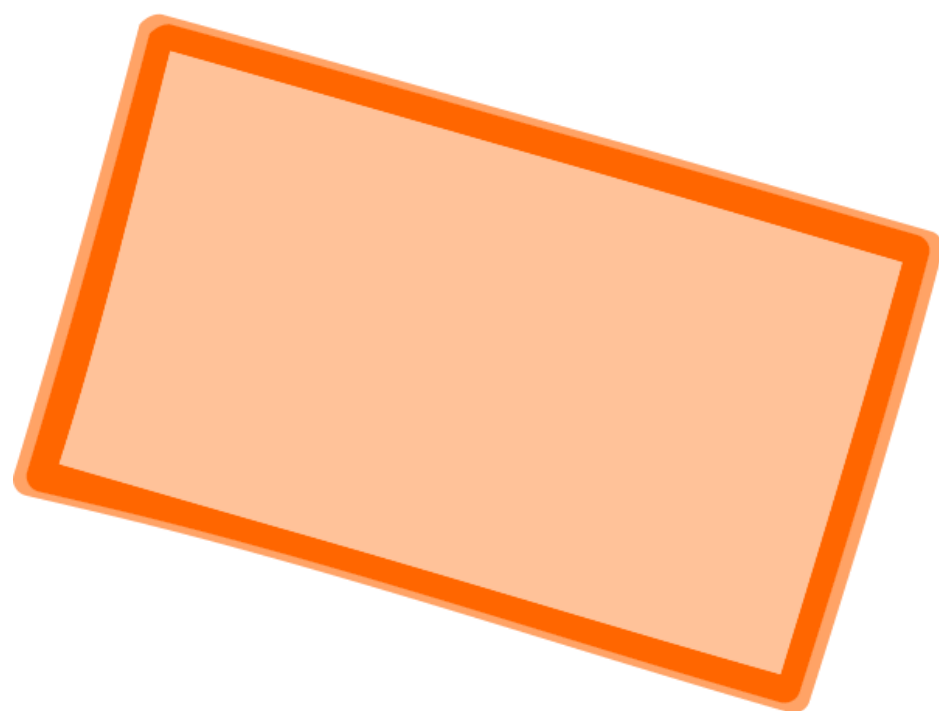

Let's celebrate!

What's your favourite thing to do online?

But sometimes things can go wrong online

Seeing scary things

Online Bullying

Fake news

Scams

Want to talk
about it?

Wait a minute, why would
I want to talk with
someone about what I
see and do online?

Because talking and
communicating about
anything can help in
lots of ways!

It's a way to connect and
bond with other people

It's fun!

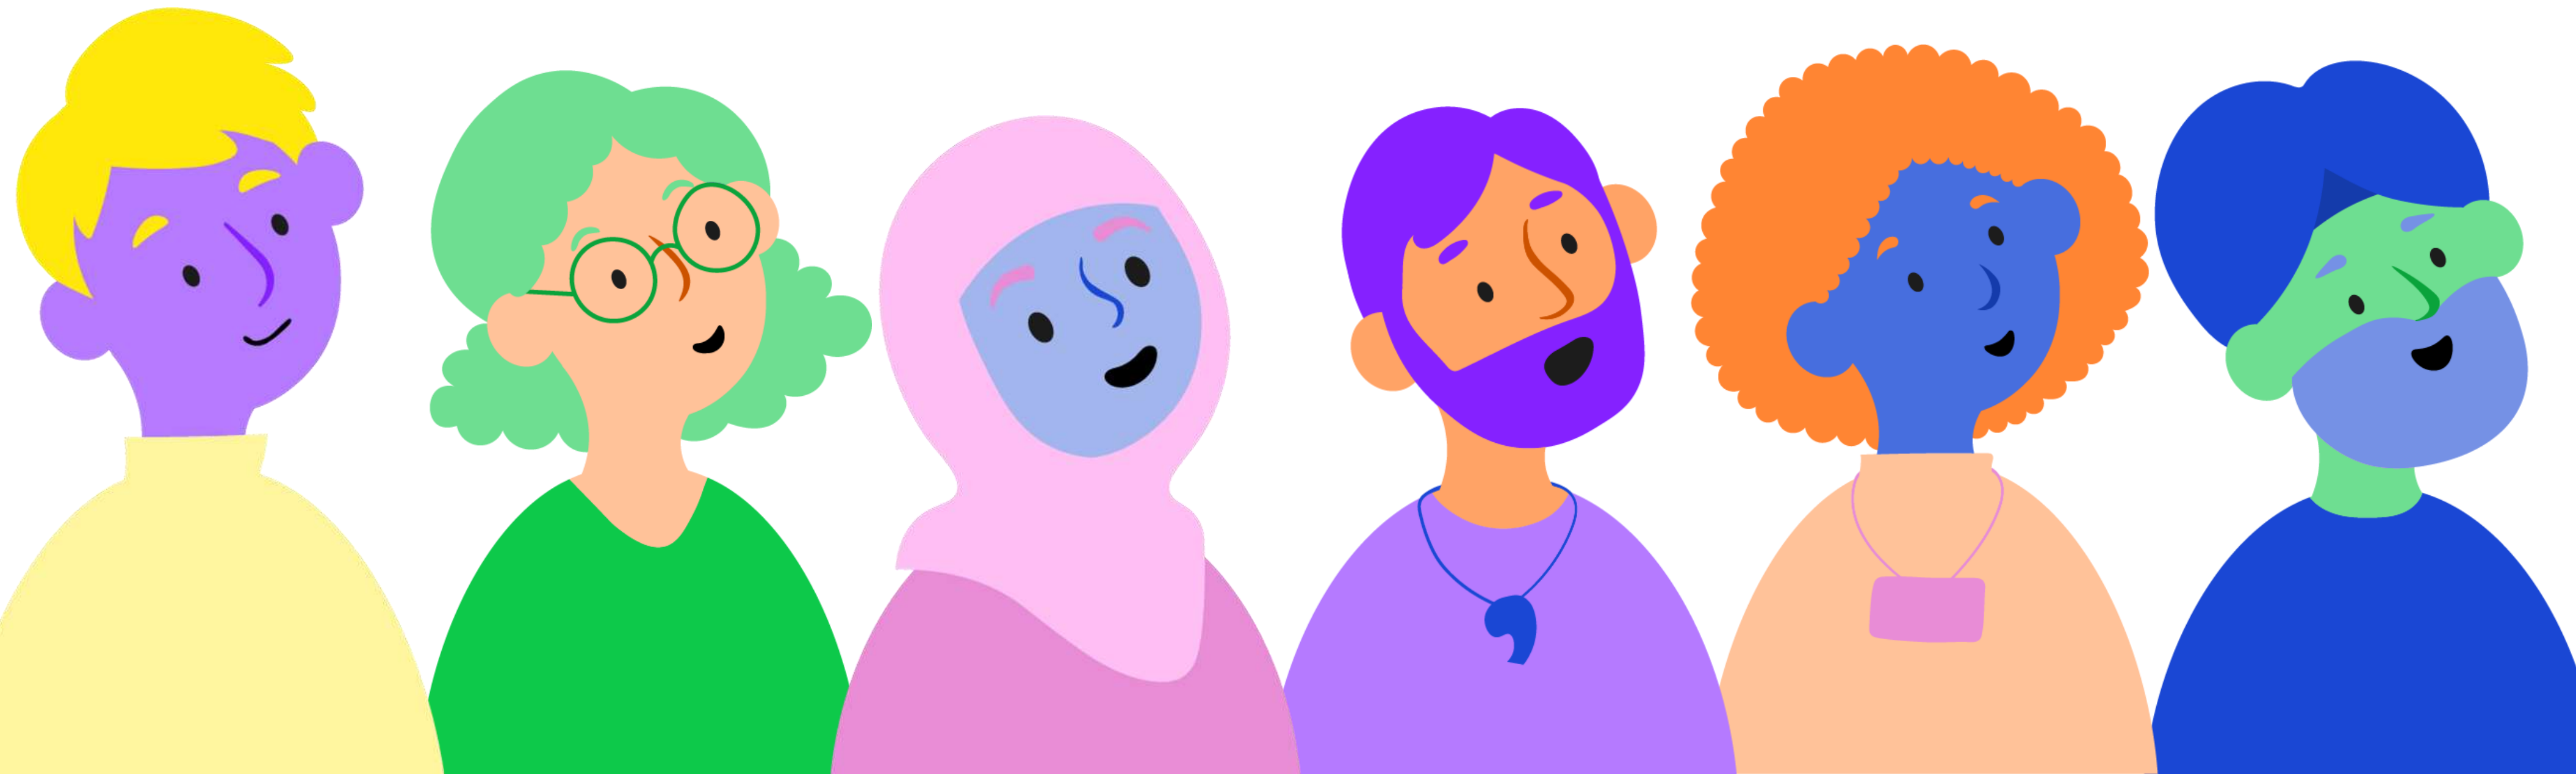

It's a chance to learn new
things and ask questions

You can get help when
things go wrong

It's a way to share
information and ideas

Who can you talk to?

Getting help

Any adult you trust!

Our challenge to you: Talk about it!

**Want to talk
about it?**

Making space for conversations
about life online
