Year 1

Homework Challenge - Summer 1 2025

We would like children to select at least one of the homework challenges below for this term, however children can do as many as they wish. This will continue to run alongside the reading, spellings, maths and English homework that are set each week.

<p>DT – Freestanding Structures</p> <p>Be creative, find things around your house and create a freestanding tower.</p> <p>How are you going to fix your materials together? How tall can you get your structure to be before it collapses?</p>	<p>Science – Plants</p> <p>Can you write a gardener's guide for how to look after plants?</p> 	<p>Geography – Continents</p> <p>Pick a continent and make a poster. Include as much information as you can.</p> 
<p>RE – Shabbat</p> <p>Jewish people have a special day of rest every week, they call it Shabbat.</p> <p>How would you spend your special day of rest? Draw a picture, write sentences or act it out!</p>	<p>PSHE – Relationships</p> <p>Draw a picture to show all of the special relationships you have in your life.</p> 	<p>Computing</p> <p>Using your keyboard skills, write a letter to Miss Welch telling her all about being in Year 1. What do you enjoy? What is your favourite lesson? What is the best thing you have learnt?</p>

The challenge work is due on **Monday 19th May 2025** and during the week each child will get to present their work for it to be celebrated. The above menu details a range of work for the subjects that your child will cover this term. We do ask that everyone has a go at this homework, so that all the children have something to share at the end of each term.

Thank you for your continued support.
