

Homework and reading

A piece of Maths/English homework will be sent out via Learning With Parents on a **Friday**.

This half term, I will also be sending out spellings on a **Friday**. Please learn these with your child ready for our weekly test the following Friday.

There will be a new homework challenge uploaded on Dojo for this half term. Children are expected to read frequently at home and this needs recording in their school planner at least 3 times per week. We cannot express enough how important this is for your child. Even 5 minutes can make a difference.

Please send your child's book bag and reading books to school every day. Mrs Greehy has designated slots throughout the week to change books. We really appreciate your help with this.

Swimming

Swimming will start this half term and will take place on a **Monday** afternoon.

We aim to begin on the 28th April, I will confirm this via Dojo.

Your child will need a swimming costume and towel for every session. These should both be labelled. Please ensure all school uniform is labelled also to avoid any problems when getting changed.

Please ensure that your child has practised getting into and then out of a wet costume independently. If possible, avoid wearing tights on swimming days as they can be tricky to get back into when damp.

Hair must be tied up and earring removed for swimming please.

Additional

Please send your child in with a water bottle each day. Children can keep their bottles at the back of the classroom.

Our library day is a **Friday**. Please ensure library books are in school every Friday ready to change.

I am always happy to see you to discuss your child. If you have urgent information for the day, please make the adult on the gate aware or send us a message via Dojo.
