Year 3 Homework Challenge –Autumn term 1 2025

We would like children to select at least one of the homework challenges below for this term, however children can do as many as they wish. This will continue to be run alongside the regular reading, maths and English that are set.

<u>History – Ancient Egypt</u>  Use the hieroglyphics to crack the code on the puzzles. Can you write a message in hieroglyphics for the class to decode?	<u>Science -Plants</u>  Play this dice game with your friends and family. Who will roll the right numbers to draw all the parts of the flower first?	<u>Geography -Spatial sense</u>  Design a treasure map with grid references- can your opponent find the buried treasure? Make your own grid or use the template.
<u>Latin</u>  Complete the worksheet about names of the months in the year and their Latin origins.	<u>Art -Landscapes</u>  Look at the landscape from your favourite place and either draw it or paint it.	<u>PSHE – Being Me</u>  Choose 5 goals you want to achieve in Y3. You can write about them, draw a picture or make a little video.

The challenge work is due w/b 20/10/25 and we expect a photo uploaded onto Class Dojo with a little explanation about the homework.

We do ask that everyone has a go at this homework so they all have something to share at the end of each term. We thank you for your continued support.
