Wear Yellow on World Mental Health Day on 9th October and help us to raise vital funds for YoungMinds

This Hello Yellow, Clenchwarton Primary School will join thousands of individuals, schools and communities across the country to raise money and show young people that they're not alone with their mental health.

Right now, more than 1 in 4 young people have a probable mental health condition. Many aren't getting the help they need, when they need it. Some don't even know where to turn, who to talk to, or if anyone else feels the same. But we can change this.

By Wearing yellow on 9th October for World Mental Health Day, and donating what you can, you can show young people that they are not alone and that things can get better. Wear it loud. Wear it proud. Because we stand brighter, together.
