2<sup>nd</sup> October 2020

Dear Parents and Carers,

## Year One Update

Firstly, may I thank you for your support adapting to the changes that we have had to make due to the current COVID pandemic. We have been extremely pleased with the way that the children have settled and how they have taken everything in their stride, settling in to our new routine.

As you would expect, we closely monitor the development of children and discuss how best to adapt our teaching to support. We are extremely aware of the opportunities that our children in year one did not have in reception due to the closure of all schools in March and with this in mind, we will be making some suitable adaptations to the environment from Monday.

We continue to follow government guidance and review our own risk assessments on a regular basis, supported by the West Norfolk Academies Trust. We recently had a spot check on behalf of Public Health England and did not need to change the way we are ensuring that school is COVID secure.

If you have any concerns, please do not hesitate to contact us.

Kind regards,

Ms J. Borley

Executive Head Teacher
