If you have any concerns, please telephone or email the school office. We will keep you informed of your child's progress or any other incidents which happen in school.

As always, we want to ensure that your experience at Clenchwarton Primary is a positive one. If you have any concerns, in the first instance, please telephone or email the school office.

Stay safe and take care.

Reminder - Lost Property.

Just the usual reminder to please ensure that all uniform etc. is clearly marked with your child's name so that we can return items to them to you.

The week beginning 13th-20th September is Wings for Heroes week and we will be supporting this with a March for Freedom event in aid of the RAFA wings appeal with Gary Walker. They are joining forces with RAFA Marham, RAFA Kings Lynn, the KL RBL and the Bridge for Heroes-

all very worthy causes! Our children will walk a mile in their PE lesson in support of the event and we would love it if parents and carers could also walk a mile and donate, helping us raise a great sum for this cause. All donations via ParentPay. Thank you.

The week starts with a service in the Tower Gardens in King's Lynn, followed by a one mile march around the walks on Monday 13th September at 11:00am. RAF Marham personnel, local veterans and dignitaries and the community will be taking part in this if anyone would like to join them.

King's Lynn KClimate Concern

You may already be aware that later this year Glasgow will be hosting a very important climate change conference, **COP26**. Members of King's Lynn KClimate Concern have been working with a range of local organisations, including the borough council, to look at ways in which West Norfolk can reduce emissions in both domestic and business settings. Some of those members are going to Glasgow during COP26 and they very much want to take with them the thoughts of our children. To celebrate The Great Big Green Week, September 20th to 24th children are invited to enter their thoughts. The theme is **My message about Climate Change** and it can be in the form of a **Picture, Poster, Paragraph or Poem**. Messages should be on **one side of A4**, with the pupil's name, class and school shown clearly at the bottom of the page.

During the following week 27 Sept to 1 Oct, KClimate Concern will collect the messages and those considered to be the most powerful messages will be shortlisted. The Lynn News will select one message from each participating school and these will be printed in an album and presented at COP26 in Glasgow in November. A digital version of the album will also be made available to schools.

PE/After School Clubs.

This is for your information:- Pupils to be shown how to dress appropriately for PE (appropriate clothing, long hair tied back away from the eyes, no hard head accessories)

Earrings. Ideally pupils will remove earrings however, pupils unable to remove earrings should make them safe by taping, front and back, which may offer a measure of protection. The taping should be sufficient to prevent the stud post penetrating the bone behind the ear should an unintentional blow be received from equipment such as a ball or a person. The taping may be done at home for younger children (as stated Safe Practice in PE and School Sport and Physical Activity 2016).

Morning Club

Spaces are available for the morning club which runs everyday in the hall from 7.40 am-8.40 am. If you would like your child to take part. Please email kscoachingsl@gmail.com or telephone 07876141107. If your child is not attending an afternoon club for any reason, please inform the school office with the reason. Thank you.
