

Clenchwarton Primary School

Weekly Newsletter-8th October 2021

Hello everyone,

Please be reminded that the Scholastic Book Fair ends today (Friday 8th October 2021). Thank you for all your support.

It was lovely to see the children in yellow today in support of 'Young Minds'.

Well done to the children who took part with the Active Kids Festival this week.

If you have any concerns, please telephone or email the school office. We will keep you informed of your child's progress or any other incidents which happen in school.

As always, we want to ensure that your experience at Clenchwarton Primary is a positive one. If you have any concerns, in the first instance, please telephone or email the school office. If your child is not well or has an appointment, it would be appreciated if you could kindly inform the office and not put messages of these types on Class Dojo.

Stay safe and take care.

Best wishes
Ms J Borley
(Executive Headteacher)

PE/After School Clubs.

This is for your information:- Pupils to be shown how to dress appropriately for PE (appropriate clothing, long hair tied back away from the eyes, no hard head accessories)

Earrings. Ideally pupils will remove earrings however, pupils unable to remove earrings should make them safe by taping, front and back, which may offer a measure of protection. The taping should be sufficient to prevent the stud post penetrating the bone behind the ear should an unintentional blow be received from equipment such as a ball or a person. The taping may be done at home for younger children (as stated Safe Practice in PE and School Sport and Physical Activity 2016).

Morning Club

Spaces are available for the morning club which runs everyday in the hall from 7.40 am-8.40 am. If you would like your child to take part. Please email icsoachingsl@gmail.com or telephone 07876141107. If your child is not attending an afternoon club for any reason, please inform the school office with the reason. Thank you.

LIVERPOOL

ROCK 'n' ROLL MARATHON

EACH is a non-profit
charity and rely on
donations

In March 2019 my niece Harper Louise Butler was born with Hypoplastic Left Heart Syndrome. Due to the severity of the condition Harper passed away in hospital after 5 days. Those 5 special days will be treasured forever.

I am running the Liverpool marathon on 24th October to raise money for EACH and to spread awareness of the great support they provide for children and their families.

Please visit my Just Giving page for more information where any donations will be really appreciated.

What's new?

Norfolk & Waveney Children's SaLT transferred to Cambridgeshire Community Services on 2nd August making closer working with Health Visitors, School Nurses and other Healthy Child Programme professionals much easier.

The service is being redesigned to better meet the needs for all children and young people in Norfolk and Waveney.

Priority changes

Agreed service priorities for the next year are:

- Reducing the waiting times whilst carrying on with essential work
- Joining speech and language therapy with Just One Number and Just One Norfolk so there is a single place to go for all speech and language therapy enquiries
- Developing the Balanced System® Framework for all speech, language and communication needs in Norfolk & Waveney

What is The Balanced System® framework?

A new way of working in Norfolk & Waveney to support families, caregivers and professionals to develop the skills and confidence needed to support children with speech, language and communication needs. This is a long term plan, developing with your support over the coming months.

Managing the waiting list

We are already working actively with 2400 children, families and the team around the child. There are approximately another 1500 children waiting for advice. The Speech and Language Therapy team will continue to work with children who need specialist support and are working hard to reduce waiting times.

If you are waiting for support, we will be in touch as soon as possible.

Where to go for help:

Visit www.justonenorfolk.nhs.uk/salt for information and resources to support children's communication development.

If you need more information or advice call Just One Number on 0300 300 0123 to speak with a member of the team.
