Dear Parents and Carers,

International School Award

We are working towards The International School Award. This Award rewards schools that have shown a commitment to embedding international awareness and understanding within their class or school. We will be completing collaborative, curriculum-based work with an international partner school. As our International School Award journey continues, we will learn of new ways to develop and embed international education in our school. The International School Award is available in 16 countries and is well-regarded by school inspection bodies and ministries of education globally.

We are working with **DELI PUBLIC SCHOOL** in Nashik

As part of the above, we intend to share images and videos between the schools in line with our general image consent forms completed by you at the start of each year. We do not, therefore, require you to complete any further consents. However, if you do not want your child to take part in this, please let us know by Monday 1st November by email:

office@clenchwartonprimary.co.uk.

Should you have any questions, please do not hesitate to contact the school office on **01553 775035**.

Yours sincerely,

Mrs Maddison & Mrs Tarsey
