## Weekly Newsletter – 11th February 2022

Hello everyone,

Doesn't time fly! Another term over already.

We had a great Safer Internet day on Tuesday but we just want to remind you of the age restrictions with some games. Please see page 2 from the NSPCC for guidance.

We have raised £103 for the NSPCC Number Day. Thank you for your support.

**Parent Consultations:-**

Tuesday 22nd February (3.30pm-5pm)  
Wednesday 23rd February (4pm-7.30pm)

Please sign up by no later than Friday 18th February 2022 @ 12 noon.  
To book an appointment, please visit <https://clenchwarton.schoolcloud.co.uk/>. You will need to book each of your children's appointments separately.

If you have any concerns, please telephone or email the school office. We will keep you informed of your child's progress or any other incidents which happen in school. As always, we want to ensure that your experience at Clenchwarton Primary is a positive one. If you have any concerns, in the first instance, please telephone or email the school office.

If your child is not well or has an appointment, it would be appreciated if you could kindly inform the office and not put messages of these types on Class Dojo. **If you have changed your mobile telephone number, please could you inform the school office of this.**

Please be reminded to kindly name all school uniform. If you have lost any uniform, please check the lost property box.

Have a lovely half term and see you on Monday 21st February. Please remember that school registration is **8.50am** prompt.

Best wishes

Ms J Borley  
(Executive Headteacher)

### **PRESS RELEASE**

#### **Funding approved for the renovation of the Clenchwarton Play Area**

Plans are progressing for the renovation of the Clenchwarton Play Area at the playing field in the Village. A working group of representatives from the Parish Council and the community have been working hard over the last year to secure funding for the project following the survey that was carried out in January 2021.

Since then, the working group has successfully secured £116,000 from the Borough Council's Community Infrastructure Levy (£10,000), FCC Communities Foundation (£77,870) and developer contributions (£27,329) from The Laurel Farm housing development, under construction on the Main Road in Clenchwarton.

The results of the survey last year have directly contributed to shaping the plans for the play area. 185 people from the community responded to the survey, 96% said they feel the play area needs upgrading. The survey also revealed that 82% said limited range of equipment was a barrier to using the play area. Equipment that respondent's most wanted to see included a slide, zip wire, climbing net, sea saw and swing seat.

The results of this survey are now feeding into the next stage of the project. The working group will be issuing a tender for companies to submit their prices and design proposals for the play area. The play area will be designed for 0 – 15 year olds and will retain the swings from the existing play area which the community said they would like to see remain.

The Chairman of the working group and Parish Councillor Steve Bearshaw said *'the working group have been working really hard behind the scenes over the last year to secure funding for the project and we are thrilled that we have been able to secure enough funding to renovate the area. It will provide a real boost to the young residents of the village. We are excited to be able to move forward to the next stage and invite specialist play area companies to tender for the project. Our aim is have the renovation completed by the end of the year and will be keeping the community updated at each stage of the project as we progress.'*

The working group would be interested to hear from any young people and members of the community who would like to help assess the designs of the proposals when tenders are returned from companies, expected back in February 2022. If anyone would like to get involved, please contact Steve Bearshaw via email at [Cllr.S.Bearshaw@gmail.com](mailto:Cllr.S.Bearshaw@gmail.com).

FCC Communities Foundation is a not-for-profit business that awards grants for community through the Landfill Communities Fund. FCC Communities Foundation Spokesperson says: "We're delighted to be supporting the Clenchwarton Play Area Renovation project and pleased our funding will provide such a fantastic facility for children and young families across Norfolk. FCC Communities Foundation is always happy to consider grant applications for projects that make a difference to local communities and we're really looking forward to seeing this one take shape soon."
