It is now 40 years since the animated film version of Raymond Briggs' classic tale "The Snowman" reached our TV screens. It tells the story of the little James, and his adventures with a snowman he makes that then comes to life.

This December, at Springwood, experience the film on the big screen with a soundtrack provided by a live orchestra of Springwood students along with narration including the classic Christmas song "Walking in the Air".

But that's not all, join in with your other Christmas Favourites including Selections from "Frozen" and "Here Comes Santa Claus" along with many others. This is an event not to be missed!
