Weekly Newsletter - 10th February 2023

Hello everyone,

Today we have celebrated our Number Day. The children have had a great time. The total raised currently stands at £60.00. Thank you for your support.

On Friday 3rd February, Year 4 went to Norwich Castle museum and had a fantastic day learning about the Roman and Iceni rivalry. Children met a Roman centurion, an Iceni villager and a Roman tax collector. They were able to pretend to be Iceni villagers, look at real Roman artefacts and created their very own torc. A brilliant day was had by all! A big thank you to all that helped on the trip too! See page 4 for a fabulous photo.

World Book Day is on Thursday 2nd March 2023. Dress up as your favourite character. (Non uniform day).

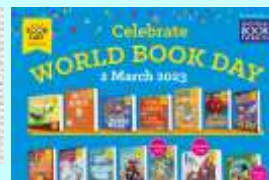

If anyone has any old uniform/tracksuits bottoms etc that they no longer require, we are looking for spares for our older KS2 children.

As always, we want to ensure that your experience at Clutchwarton Primary is a positive one and we will keep you informed of your child's progress or any other incidents which happen in school. If you have any concerns, in the first instance, please telephone or email the school office.

Have a great half term and see you all on Monday 20th February 2023 for registration at 8.45am (prompt).

Best wishes

Ms J Borley (Executive Headteacher)

Congratulations to *Year 5*

We are pleased to let you know we currently have a Parent Governor vacancy. The Governors of Clutchwarton Primary School hold regular meetings in which they discuss and make decisions concerning the curriculum, school policies and many other issues that directly affect the well-being of the children at the school. Being a school Governor involves having a privileged insight into the running of the school and any prospective Governor must understand the need for confidentiality. The Governing Body will also expect that any new Governor would be willing to attend a short training course. Please consider whether you might make a good Governor and if you are interested in applying please email or call the school office for an application form. Should there be more applicants than spaces available, an election will be held. **Closing date extended to: Friday 24th February 2023.**

School Closures

Please be assured that the school always makes every effort to open – whatever the weather! However, should the worst happen and it became necessary to close, we would try to give as much notice as possible. During bad weather, if necessary, we will communicate via:

Text via PupilAsset/Class Dojo. Publish it on the Norfolk Schools Website www.schoolclosures.norfolk.gov.uk

Also, Norfolk County Council now offers the option for you to sign up to receive alerts by text message or email whenever your school is

This is for your information:- Pupils to be shown how to dress appropriately for PE/Swimming (appropriate clothing, long hair tied back away from the eyes, no hard head accessories)

Earrings. Ideally pupils will remove earrings however, pupils unable to remove earrings should make them safe by taping, front and back, which may offer a measure of protection. The taping should be sufficient to prevent the stud post penetrating the bone behind the ear should an unintentional blow be received from equipment such as a ball or a person. The taping may be done at home for younger children (as stated Safe Practice in PE and School Sport and Physical Activity 2016).
