How we've worked with primary schools this term....

Crucial Crew: We attended the Breckland area Crucial Crew and spoke to 715 year 6 pupils about staying safe online. 92% of these pupils said they had a mobile phone or device that can connect to the internet. Online gaming was the most popular activity for these young people, with 82% saying that they enjoyed doing this.

Say No. Don't Go: We are continuing to enjoy delivering our "Say No. Don't Go" presentation about the risks of County Lines with year 6 students as part of our Safer Schools pilot. This has been so successful, and there has been so much demand for a presentation like this for primary school-aged children, that we have extended the offer to some other primary schools and local Beat Managers have used this resource in schools in their areas.

How we've worked with secondary schools this term....

Key Messages: Our Key Message presentations continue to be popular in secondary schools. Our Safer Schools Support Workers have got stuck in delivering these across the county. The stats for the Spring Term look like this:

- Year 7 Internet Safety – 3063 young people reached.
- Year 8 – County Lines and Knife Crime – 3994 young people reached.
- Year 9 – Grooming and Child Sexual Exploitation – 2426 young people reached.
- Year 10 – Abuse in Relationships – 3330 young people reached.

Decision-Making Programme – We have been piloting a Decision-Making Programme this term which aims to support young people to make positive choices about their behaviour. We've really enjoyed working with these small groups of young people this term!

Virtual Work Experience: We are looking forward to running our Virtual Work Experience programme during the weeks 10th to 14th July 2023 and 17th to 21st July 2023. For students in year 12 who have applied for this, watch this space!

Other Useful Information

Online Safety.
Some of the biggest problems our Safer Schools Police Officers face in schools are centred around young people's internet use. From sharing inappropriate content, for example nude images, to accessing harmful content, such as dangerous "trends" on social media, we have seen it all. In fact, a quarter of all incidents dealt with by our Officers in schools, between September 2022 and January 2023, involved the internet and 100% of grooming incidents occurred online.

We delivered an online safety webinar for parents and carers on 9th February 2023 (Safer Internet Day). If you were unable to join the webinar and would like more information about keeping young people safe online, we have uploaded the video to YouTube. Please find it [here](#).

Further information about online safety can be found on the National Online Safety website [here](#). You can also download their app for even quicker access to information about a range of apps and games and issues to be aware of if you allow your child to use these.

For information about setting up parental controls for your children online, go to the NSPCC website [here](#).

As young people's use of the internet is increasing, so too are mental health issues. If you know a young person who is suffering, encourage them to go to www.kooth.com (for 11 – 25-year-olds), where they will find resources and online forums and can receive support from mental health professionals. There is also a service for people aged 18+. Go to www.awell.io for this.

WEST NORFOLK ACADEMIES TRUST
COMMUNITY MUSIC WEEK
MONDAY 3 – THURSDAY 6 JULY 2023

Following the success of our inaugural 'Community Music Week' in 2022 the West Norfolk Academies Trust are pleased to launch our event for 2023 which will take place at Springwood High School from Monday 3rd to Thursday 6th July.

The aim of the WNAT Community Music Week is to bring educational music ensembles and community music groups from across West Norfolk in one celebration of community music, utilising a professional level stage and sound system. In 2022 the first music week featured over 500 performers and attracted total audience numbers of over 2000 across the four nights. This year the week will include four different themed evenings (Jazz, Choral, Rock & Pop and Orchestral/Band) as well as the Norfolk premiere of a new Youth Opera, "Birdland", commissioned by Norfolk Music Hub and written by the famed choral composer, Bob Chilcott.

A musical celebration by the community, for the community, and best of all the whole week will be completely free to attend!

WE NEED YOUR HELP!

VOTE FOR US IN THE TICKETSOURCE COMMUNITY EVENT FUND COMPETITION

Putting on a four-day musical celebration is no small task. The logistics alone require a huge amount of planning, and funds. We have an incredible opportunity to win £1000 towards the costs of the week as we have been shortlisted in the Ticketsource Community Event Fund Composition. This gives £1000 towards the costs of a community musical event to eventual winner and you can help us with the simple online vote.

By visiting our unique competition page <http://wshe.es/SkEbkZwK> you can cast your vote for us before the closing date of Friday 28th April. After the closing date the top 10 events will go to a judging panel, from which one will be awarded the top prize of £1000.

DO YOU KNOW A COMMUNITY GROUP WHO WOULD LIKE TO PERFORM

We are looking for Musical Groups from the West Norfolk area who would like to take part in the event. Whether a Concert band, Brass band, Orchestra, Choir or Rock/Pop Band if you, or anyone you know, is associated with a group and would like to be involved please contact Robin Norman, the Director of Music for the Trust via email (music@westnorfolkacademiestrust.co.uk) with as much detail on your group as possible. We will then consider all these and invite some to be part of the music week this year. We look forward to hearing from you.

MORE DETAILS ON THE COMMUNITY MUSIC WEEK WILL FOLLOW SOON!
