Parent Governor Vacancy:

The Governors of Clenchwarton Primary School hold regular meetings in which they discuss and make decisions concerning the curriculum, school policies and many other issues directly affecting the well-being of the children at the school. Being a school Governor involves having a privileged insight into the running of the school and any prospective Governor must understand the need for confidentiality. The Governing Body will also expect that any new governor would be willing to attend a short training course. Please consider whether you might make a good Governor and if you are interested in applying please pop to the office for an application form. Should there be more applicants than spaces available, an election will be held. New closing date for applications is 28th June 2019.
