

Clenchwarton Primary School

End of Term Newsletter - 20th July

Hello everyone,

It's been a very busy week!

The Year 2 children attended the WNAT Dance Festival on Monday. We are very proud of you all.

SPORTS DAY—Wednesday 19th July. We just managed to squeeze KS1 events in until the rain came! Unfortunately due to the weather which made the ground slippery, we had to cancel the KS2 sports event which was arranged for the afternoon. Apologies for this. We hope to be able to carry another day in September!

CLUBS—New Clubs will become available via ParentPay very soon.

We say goodbye to our Year 6 children and wish them well on their next step to High School.

Thank you to all of the Year 6 parents, families and friends who came to our Year 6 Leavers' Assembly. There wasn't a dry eye in the house! Thank you to the PTA for organising the leavers BBQ which took place on Tuesday after school.

We also say goodbye to Mrs Beeston (TA/MSA) who is leaving us. We wish her the very best for the future.

Thank you for all your support. We look forward to seeing you all (including our new Reception children) on Wednesday 6th September 2023 prompt registration at 8.45am.

As always, we want to ensure that your experience at Clenchwarton Primary is a positive one and we will keep you informed of your child's progress or any other incidents which happen in school. If you have any concerns, in the first instance, please telephone or email the school office.

Have a fabulous summer break.

Best wishes

Ms J Borley (Executive Headteacher)

Earrings. Ideally pupils will remove earrings however, pupils unable to remove earrings should make them safe by taping, front and back, which may offer a measure of protection. The taping should be sufficient to prevent the stud post penetrating the bone behind the ear should an unintentional blow be received from equipment such as a ball or a person. The taping may be done at home for younger children (as stated Safe Practice in PE and School Sport and Physical Activity 2016).

How we've worked with primary schools this term...

Crucial Crew: We have attended all Crucial Crew events this year and have delivered our session about internet safety and sharing content online to over 3,000 year 6 pupils. We really enjoy these sessions and it is always eye-opening to find out how many children of this age have access to devices and the internet. We always urge parents to get familiar with apps like Tik Tok, Instagram and Snapchat as these are really popular. Sadly, they do pose risks to young people but there are things that can be done to help keep them safe (see "Keeping Children Safe Over the Summer" section below).

Anti-Social Behaviour Session: We created a new session for children in years 5 and 6 about Anti-Social Behaviour (ASB). We have delivered this session in a number of schools already and will continue to use it next year. The session looks at the consequences of ASB for individuals (both victims and offenders) and communities. Young people have enjoyed engaging with officers in their schools.

How we've worked with secondary schools this term...

Key Messages: We have come to the end of the academic year and have reached over 40,000 young people in secondary schools with our Key Message presentations. We are refreshing the content of these for next year but our aim remains the same. We want to raise young people's awareness of the crimes most likely to affect them, either as victim or offender, and give them information and guidance to help them stay safe.

Virtual Work Experience (VWE): During the final 2 weeks of term, we delivered the Constabulary's Virtual Work Experience programme. Young people have been tasked with investigating the fictional case of a missing girl called Hannah and the feedback has been very positive. The young people were given a valuable insight into the policing world and many have now expressed interest in joining the police in either a civilian staff role, or as a Police Officer.

Comments from VWE participants:

"The whole week was really informative. It was really interesting looking at the different career options."

"I particularly enjoyed the days dedicated to the contact and control room, as well as the forensic services."

"I enjoyed investigating the disappearance of "Hannah"."

"All the staff and people we spoke to were very professional, knowledgeable and friendly."

Keeping Children Safe Over the Summer!

RNI Water Safety: Check out this [link](#) to the RNI website which is full of information about staying safe around the water.

Sandi Starfish: If you're heading to Hunstanton or Heacham this summer, look out for Sandi Starfish posters which include a "what3words" location. Parents are encouraged to take a photo of their child as soon as they get to the coast and make a note of the What3Words location. Doing this as soon as you arrive will mean you have an up-to-date photo showing exactly when and where you accessed the beach and what your child was wearing, should you become separated and need assistance.

Pocket Notes: Giving your child a piece of paper with your name and phone number on it and having them put it in their pocket is another good way of ensuring you can be contacted if you become separated. Ensure your child knows to ask a "safe adult" for help - A police officer, security guard, or shop assistant, for example.

Online: Keep your children safe online this summer by learning about apps they are using and checking in with them about what they are doing online. Further information about online safety can be found on the National Online Safety website [here](#).
