Weekly Newsletter-8th December 2023

Hello everyone,

Another busy week! Rehearsals are taking place for the Christmas performances. Further tickets for the 'Everyone loves a Baby' can be obtained from the school office (limited availability).

The West Norfolk Academies Trust Community Carol Service held at St Nicholas Chapel on Wednesday was very well attended and a huge 'well done' to all the children who took part.

The fantastic Santa Dash team has very kindly agreed to officially switch on the Clenchwarton Village Christmas tree lights on **Tuesday 12th December**. Hot drinks and mince pies will be available. Everyone is invited to support our local community.

The West Norfolk Academies Trust have kindly offered to pay for the children's Christmas Lunch which will take place on Friday 15th December 2023. All bookings for this day will be refunded (if applicable) to your account after 15th December. Thank you.

Please be reminded that all after school clubs finish on Friday 15th December 2023. After school clubs will be available to book very soon.

We are supporting two charities this year, The Norfolk Hospice (Rudolph Run) and Save the Children (Christmas Jumper Day). These will take place on Friday 15th December 2023. We are kindly asking for a donation of £1 per child. All the money raised will then be equally split between these two charities. Payment can be made via your ParentPay account. Thank you for your support.

As always, we want to ensure that your experience at Clenchwarton Primary is a positive one and we will keep you informed of your child's progress or any other incidents which happen in school. If you have any concerns, in the first instance, please telephone or email the school office.

Best wishes

Ms J Borley

Flu Vaccination Final Reminder
Please note this is NOT the Covid vaccination.

Dear Parent/Carer,

If your child has missed having their Flu vaccination at school, please click on the link below to book a catch-up appointment at a local clinic. You can book for both the Flu Nasal Spray and the Porcine free IM Vaccine.

During last year's flu season the flu virus caused children and young people to be admitted to hospital, and some into intensive care, at increasing rates to previous years. The flu virus could make your child extremely unwell and can lead to severe ear infections and bronchitis and pneumonia (chest infections) in children and young people.

Flu vaccines are safe and very effective at reducing the risk of contracting flu. Children who have the flu vaccine are less likely to pass the virus on to friends and family, especially those who may be at greater risk from flu, such as young babies, elderly people or friends and relatives with a serious health condition.

To Book an appointment please click [HERE](#)

For more information on the Flu Vaccinations please see NHS links below:

Earrings. Ideally pupils will remove earrings however, pupils unable to remove earrings should make them safe by taping, front and back, which may offer a measure of protection. The taping should be sufficient to prevent the stud post penetrating the bone behind the ear should an unintentional blow be received from equipment such as a ball or a person. The taping may be done at home for younger children (as stated Safe Practice in PE and School Sport and Physical Activity 2016).

Let us take care of your childcare!

Evidence shows that a dose of physical activity before school hours start helps to engage children's minds and prepare them for the day ahead.

Our breakfast clubs offer mentally and physically stimulating activities which sharpen and focus the mind while waking up the body.

Parents can relax knowing their children are in safe hands as all staff have experience working with primary school children, have been DBS checked, and hold Emergency First Aid and Safeguarding certificates.
