What we've been up to this term!

Key Messages - As always, Safer Schools Support Workers, Hazel and PJ, have been working hard to ensure our key safety messages are delivered to all students in Norfolk secondary schools. We have updated the resources for this year and have already delivered 99 sessions:

Year 7 - Online Safety Awareness - 34 sessions delivered.

Year 8 - Drugs and the Law - 25 sessions delivered.

Year 9 - Understanding Violence / Grooming and Child Sexual Exploitation - 23 and 5 sessions delivered respectively.

Year 10 - Abuse in Relationships - 12 sessions delivered.

We've received some great feedback from teachers:

"Fantastic presentation. Very informative." "The pupils always enjoy the sessions and interact well."

Online Key Messages - Where necessary, we have delivered some of our Key Messages online. This has ensured that children who are home-schooled have been able to access the sessions.

Careers Assemblies and Workshops - Deputy Chief Constable Megicks and Recruitment Advisor, Amy Stanton, along with Safer Schools Police Officer, DC Smith, delivered careers assemblies and workshops at Kings Lynn Academy and Springwood High School. We hope to see the names of some of the students who attended these sessions on application forms in the future!

Healthy Relationships and Consent - Safer Schools Police Officer, DC Proctor, has delivered lessons around healthy relationships with students at Sewell Park Academy. She has really enjoyed enhancing the PSHE curriculum and being able to have open and frank discussions with students about this tricky subject.

Crucial Crew - We have attended 3 Crucial Crew events where we have spoken to 1548 year 6 pupils about sharing content online. We even had a very important visitor, Mayor of Great Yarmouth Penny Carpenter, in attendance at the sessions in Caister.

Hate Crime - During Hate Crime Awareness Week in October, we delivered 4 webinars for year 5 pupils. We looked at the ways in which we are different and what makes a crime a "hate crime". Around 3000 students took part in these events - that's 1000 more than last year!

We also continue to provide local Beat Managers with resources to deliver in schools around a range of subjects, including the law, online safety and respecting each other and our communities.

Keeping your property safe! Don't let criminals ruin your Christmas. Ensure Christmas presents are out of sight, whether in your car, or in your house. Be mindful of how you dispose of packaging materials. Make sure they're hidden away in your general or recycling waste. Thieves target homes where they can see expensive gifts have been bought.

New bike? Get it registered with www.bikeregister.com. That way, should you be unfortunate enough to have it stolen, it will be more likely to be recovered.

Christmas Safety Messages!

E-Scooters - These continue to be popular gifts but please be aware of the law around E-Scooters. Privately owned ones cannot be used on public roads or parks. Click [here](#) for more information.

New mobile phone? Tablet? Laptop? Keep your children safe online by learning about apps they are using and checking in with them about what they are doing online. Further information about online safety can be found on the National Online Safety website [here](#) and on the CEOP Education website [here](#).

Let us take care of your childcare!

Evidence shows that a dose of physical activity before school hours start helps to engage children's minds and prepare them for the day ahead.

Our breakfast clubs offer mentally and physically stimulating activities which sharpen and focus the mind while waking up the body.

Parents can relax knowing their children are in safe hands as all staff have experience working with primary school children, have been DBS checked, and hold Emergency First Aid and Safeguarding certificates.
