

Clenchwarton Primary School

Hello everyone,

We raised £189.65 for this year's Poppy Appeal. Thank you for your support.

On **Friday 15th November** we are holding a **non-uniform day**; we will ask for a donation of 50p per child or £1 per family for JDRF, the world's leading charitable funder of type 1 diabetes research. Thank you very much for your understanding.

To keep your children safe, the attendance policy has recently been amended. If your children are ill and we are unable to contact you to establish a reason why they are off, we will need to visit your home to ensure that you and your children are safe. We will make every effort to contact you by phone and email first but we would ask you to contact us before 9am on 01553 775035 or by email on office@clenchwartonprimary.co.uk. This change is in line with the West Norfolk Academy Trust Policy and Norfolk County guidelines.

Registration is at 8.50am prompt. Please ensure that your child is in school before this time, but **not** earlier than 8.40am as no supervision is provided (please drop your child(ren) at the brown wooden gate-Reception, Yr1, Yr2 & Yr3 only), together with all their P.E. kit and **appropriate outdoor clothing** (all named please). If your child is ill, please telephone or leave a message for the school office. Thank you.

Please could we remind you that any snacks at break time should be healthy snacks e.g. fresh fruit, dried fruit, cheese strings, cereal bars etc. We have noticed that some pupils are bringing crisps, chocolate biscuits e.t.c. which are not allowed. Thank you.

Please see page 2 of this newsletter for an important message.

Keeping Children Safe Online:

Did you know that you can get help setting parental controls on a range of devices at an O2 shop? Even if you are not an O2 customer, their specialist Gurus will help! From the O2 website:

"Most devices and some apps and games include parental controls. Understanding how these can be used to control in-app purchases as well as block upsetting or harmful content will help your children explore the online world safely. Parental controls need to be installed on your devices as well as managed inside the site social network app or game. You can get help setting these up by speaking to an O2 Guru by calling 0808 808 5002 for free, or visiting an O2 store. We can help whether you're an O2 customer or not. Remember parental controls are not fail safe and won't stop kids seeing inappropriate content on other devices. So it's always important to talk to your children about what they might see online."
