IMPORTANT INFORMATION

Penalty Notice Fines for School Attendance are changing!

With the introduction of the new National Framework for Penalty Notices, the following changes will come into force for Penalty Notice Fines issued **after 19th August 2024**.

Per Parent, Per Child

Penalty Notice Fines are issued to each parent, for each child that was absent. For example: 3 siblings absent for term time leave, would result in each parent receiving 3 separate fines.

National Threshold

There will be a single consistent national threshold for when a penalty notice must be considered by all schools in England of 10 sessions (usually equivalent to 5 school days) of unauthorised absence within a rolling 10 school week period. These sessions do not have to be consecutive and can be made up of a combination of any type of unauthorised absence. The 10-school week period can span different terms or school years.

First Offence

The first time a Penalty Notice is issued for unauthorised absence the amount will be:

- £160 per parent, per child paid within 28 days.
- Reduced to £80 per parent, per child if paid within 21 days.

Second Offence (within 3 years)

- The Second time a Penalty Notice is issued for unauthorised absence the amount will be:
- £160 per parent, per child paid within 28 days.

Third Offence and Any Further Offences (within 3 years)

- The third time an offence is committed a Penalty Notice will not be issued and the case will be presented straight to the Magistrate's Court. Prosecution can result in criminal records and fines of up to £2,500.
- Cases found guilty in Magistrates' Court can show on the parent's future DBS certificate due to 'failure to safeguard a child's education'.

IMPORTANT INFORMATION

Administration of Medicines at School

If your child needs prescribed medication/inhalers during school hours, please make sure a medication form is filled out. For asthma, a separate individual healthcare plan also needs to be filled out. These can be found on our website following the link below or from the school office.

<https://www.clenchwartonprimary.co.uk/page/?title=Downloadable+Forms&pid=45>

The form and the medication then needs to be handed in at the office. Please make sure the medicine is in the original container with the prescription label attached. This way we are able to check that the information and medication are correct before passing onto the class staff.

Please note; we are unable to administer medication that is not prescribed such as Calpol or Nurofen. If your child does need non-prescribed medication during the school day, we ask that you arrange to come in yourself to administer it.

Thank you.

What Parents & Educators Need to Know about SCHOOL AVOIDANCE

School avoidance refers to reduced attendance or non-attendance at school by a child or young person. In 2022-23, more than one in five children in England were found to be absent from school over 10% of the time. This guide focuses on school avoidance with an emotional basis, offering expert mental health advice. However, it's important to remember that school avoidance is a hugely subjective experience which requires a tailored, individual approach.

UNDERSTANDING SCHOOL AVOIDANCE

IMPACT OF SCHOOL AVOIDANCE

REASONS FOR ABSENCE

School avoidance is sometimes underpinned by several factors rather than one single cause. This could include something going on for the child or young person within the family or at school. A child may have caring responsibilities at home, for instance, or a change in family dynamics; bullying and friendship difficulties at school; pressure to achieve in schoolwork and exams; or moving from primary school to secondary school.

PATTERNS OF ABSENCE

You may notice patterns in regular absences or children regularly expressing that they don't want to attend school (particularly being reluctant to leave home on school days). If a child or young person is neurodiverse, there is some evidence to suggest there are more aspects of school life which can cause distress – such as changes in the environment, changes of routine and sensory stimuli.

COMPLAINTS ABOUT PHYSICAL SYMPTOMS

There may be an increase in a child or young person's complaints about physical symptoms, particularly on school days or the evening before school. These could include tummy aches, headaches, or saying they feel ill when there doesn't appear to be a medical cause. Always check with the GP first to rule out medical causes or illness.

LEARNING AND DEVELOPMENT

School refusal can negatively impact a young person's learning and development. Attending school on a regular basis not only supports academic attainment but is also important for the development of key life skills and the growth of children and young people as citizens.

LONG-TERM OUTCOMES

The difficulties associated with school non-attendance can be far reaching and may have a negative impact on long-term outcomes. It may, for example, lead to reduced future aspirations, poor emotional regulation, mental health difficulties, limited academic progress and restricted employment opportunities.

CYCLE OF ABSENCE

Consistent absences may contribute to sustained school avoidance over time. Further to this, the longer a pupil is out of education, the more likely it is that there is a rise in their ongoing need to avoid the activity making them anxious – increasing their desire to stay at home.

Advice for Parents & Educators

WORK TOGETHER

If there's a concern about a child's absence and emotional wellbeing, it's important that there is clear communication and a consistent approach between the child's parents and the school, so you can take a child-centred approach together towards a plan of support or reintegration. This ensures a consistency of approach from both home and school, creating better outcomes for the child.

MANAGE OVERWHELMING FEELINGS

Acknowledge the child's worries, listen and discuss coping strategies together to help them manage difficulties. These could include mindfulness, deep breathing or going for a walk. This helps them understand that you are working together towards a common goal, and that these strategies can be used when bigger feelings arise.

FOLLOW REGULAR ROUTINES

Children can benefit from a regular and consistent routine. This could be a morning routine, from waking up and having breakfast through to getting dressed, packing their bag and leaving the house. A consistent evening routine which is calm and spent away from screens can also give children much needed predictability and familiarity. Schools can help create a timetabled routine for the child's school day, if required.

RECOGNISE POSITIVE STEPS

Drawing attention to a child's successes – be they big or small – can help to give them some much-needed confidence and motivation. Celebrate these daily victories – such as getting out of bed on time or completing school work – and don't hesitate to let the child know when you're impressed or proud of them. Such an approach can go a long way.

PRESS RELEASE

CLENCHWARTON COMMUNITY FOUNDATION TRUST

The Clenchwarton Community Foundation Trust is a charitable organisation set up to help plan and implement future regeneration projects in the community and to focus on providing more inclusive, diverse and accessible community facilities.

We are committed to providing the best mix and range of facilities for all ages by engaging with specialist suppliers and with the wider community using ongoing public consultation. Alongside this, the charity will look to improve the surrounding green park areas to make them more functional and aesthetically pleasing.

With the very best interests of the Clenchwarton community at our heart we believe that the village deserves the very best in facilities and infrastructure. Going forward our charity status (pending) will enable us to apply for the widest and biggest community funding opportunities in order to achieve those aims. Everything we do, is for the best of the village, whether it's providing better space for relaxing and playing; or better sports facilities that benefit the health and wellbeing for the whole community.

The CCFT was formed by several members of the Clenchwarton Play Area Renovation (CPAR) team who renovated the play area and the Jubilee Garden. The Trustees; Rob, Julie, Craig, Tracy, Bryan, Caroline & Steve; are all volunteers local to the community. We also raised £4,498 from the Community Infrastructure Levy (CIL) which was spent on providing more seating, recycling bins and bicycle racks. Our large future projects are to plan and install a multi-use games area (MUGA) and an outdoor gym.

To raise funds, we are holding regular bingo nights which has become a great success and supported by many villagers. In total, we have raised over £3,000, we will use these funds to purchase another wheelchair-accessible picnic bench, table tennis tables, a bingo machine and a contactless card machine. Thank you to the Clenchwarton Primary School PTA who kindly lent us theirs for the previous bingo nights. We would like to say a massive thank you to everyone who continues to donate and sponsor us whilst we raise money through our various events.

Thanks to sponsorship from Connect Cars & Taxis, we held our first ever Easter Egg Hunt on Easter Monday. The feedback from parents and grandparents was very positive and the children loved it so much this will become an annual event! We will also be setting up an online donation platform for those who would like to donate to our cause.

In July, we will be holding our Family Fun Day with refreshments, inflatables, music and stalls. More information to follow at a later date.

In December, we hope to support the Santa Dash 2024 team by once again providing refreshments and gifts for the children.

If you would like to get involved or help with any of our events, please get in touch with us via our Facebook page www.facebook.com/clenchwartonft or by email clenchwartonft@gmail.com. Our website will be coming soon.

This is for your information:- Pupils to be shown how to dress appropriately for PE/Swimming (appropriate clothing, long hair tied back away from the eyes, no hard head accessories)

Earrings. Ideally pupils will remove earrings however, pupils unable to remove earrings should make them safe by taping, front and back, which may offer a measure of protection. The taping should be sufficient to prevent the stud post penetrating the bone behind the ear should an unintentional blow be received from equipment such as a ball or a person. The taping may be done at home for younger children (as stated Safe Practice in PE and School Sport and Physical Activity 2016).

Summer Term 1 our allocated swimming days for each class are as follows w/c 22nd April 2024:-

SCAN ME

The Borough Council of King's Lynn and West Norfolk are inviting all schools, children and families to join us on Thursday 6th June 2024 in King's Staithe Square from 3:30pm to commemorate the 80th anniversary of D-Day.

As part of the parade and activities, we are hosting a colouring competition for all ages. Please see attached a digital copy of the colouring sheet.

The colouring page shows the lamp light of peace, which represents the light of peace that emerged from the darkness of War. Also attached is a picture of the real lamp light of peace for inspiration. The colour red has been chosen as it represents the ultimate sacrifice undertaken on the Beaches of Normandy and throughout WW11.

Please feel free to be adventurous and artistic with the colouring, bearing in mind the reason for the occasion. Once completed, please can children put their names and ages on the back of the sheet, and these can be scanned and emailed to our learning and engagement officer or can be delivered to Stories of Lynn by 3rd June.

The pages that stand out to us the most will be selected to be displayed on the big screen on the evening of D-Day in King's Staithe Square where the activities are taking place. Please do come along to see them. There will be other activities on the day, including arts and crafts, some drama and dressing up and a parade.

All enquiries can be made to elizabeth.joisce@norfolk.gov.uk, learning and engagement officer.

FUNDRAISING EVENT

SPEED KICK CHALLENGE 2024

WHO'S GOT THE HARDEST SHOT IN THE CLASS?

PREMIER EDUCATION UNDERSTAND THE FINANCIAL STRAINS THAT SCHOOLS FACE. WITH THIS IN MIND WE HAVE DEVELOPED A FUNDRAISING EVENT TO GET CHILDREN ACTIVE AND RAISE MONEY FOR BOTH THE SCHOOL AND A CHARITY OF THE SCHOOL'S CHOICE.

With a summer of European football ahead, we're glad to once again be able to support our schools with this amazing event!

* Over £30,000 raised for schools in the last 3 years. * No school has ever raised themselves less than £800. * An additional 10% is donated to a charity of the school's choice by Premier Education. * All administration and organisation is provided by Premier Education.

WE'RE OFFERING OUR PREMIER EDUCATION SPEED KICK CHALLENGE TO HELP RAISE MONEY FOR SCHOOLS IN THE AREA.

This is a great way to get behind the home nations this summer, as they look to go one better than last time around and win the tournament.

All children receive a certificate of participation, along with trophies for the top scoring boy and girl in each class. There are also prizes available if certain milestones for fundraising are achieved.

The emphasis of the event is fun, with the school, parents and children, coming together as a team to raise much needed funds, with the added bonus of helping a charity of the schools choice at the same time.

ALL ADMIN IS COMPLETED BY THE PREMIER EDUCATION TEAM AND THE EVENT ONLY TAKES 30 MINUTES PER CLASS ENSURING AS LITTLE DISRUPTION AS POSSIBLE TO THE SCHOOL TIMETABLE.
