IMPORTANT INFORMATION

Penalty Notice Fines for School Attendance are changing!

With the introduction of the new National Framework for Penalty Notices, the following changes will come into force for Penalty Notice Fines issued **after 19th August 2024**.

Per Parent, Per Child

Penalty Notice Fines are issued to each parent, for each child that was absent. For example: 3 siblings absent for term time leave, would result in each parent receiving 3 separate fines.

National Threshold

There will be a single consistent national threshold for when a penalty notice must be considered by all schools in England of 10 sessions (usually equivalent to 5 school days) of unauthorised absence within a rolling 10 school week period. These sessions do not have to be consecutive and can be made up of a combination of any type of unauthorised absence. The 10-school week period can span different terms or school years.

First Offence

The first time a Penalty Notice is issued for unauthorised absence the amount will be:

- £160 per parent, per child paid within 28 days.
- Reduced to £80 per parent, per child if paid within 21 days.

Second Offence (within 3 years)

- The Second time a Penalty Notice is issued for unauthorised absence the amount will be:
- £160 per parent, per child paid within 28 days.

Third Offence and Any Further Offences (within 3 years)

- The third time an offence is committed a Penalty Notice will not be issued and the case will be presented straight to the Magistrate's Court. Prosecution can result in criminal records and fines of up to £2,500.
- Cases found guilty in Magistrates' Court can show on the parent's future DBS certificate due to 'failure to safeguard a child's education'.

IMPORTANT INFORMATION

Administration of Medicines at School

If your child needs prescribed medication/inhalers during school hours, please make sure a medication form is filled out. For asthma, a separate individual healthcare plan also needs to be filled out. These can be found on our website following the link below or from the school office.

<https://www.clenchwartonprimary.co.uk/page/?title=Downloadable+Forms&pid=45>

The form and the medication then needs to be handed in at the office. Please make sure the medicine is in the original container with the prescription label attached. This way we are able to check that the information and medication are correct before passing onto the class staff.

Please note; we are unable to administer medication that is not prescribed such as Calpol or Nurofen. If your child does need non-prescribed medication during the school day, we ask that you arrange to come in yourself to administer it.

Thank you.

Clenchwarton Primary Sponsored 2024 EURO Speed Kick Challenge.

Dear Parent,

Clenchwarton Primary and Premier Education have joined forces to run a Sponsored Speed Kick Challenge to get the children active, raise money for the school and celebrate this year's European Championships

The competition enables each participant to take 3 strikes of the ball into the inflatable speed chamber, which measures the speed of the shot, with the most powerful kick being recorded. The activity is for boys and girls in all classes as we aim to raise money for the school and a charity of their choice.

The event will take place on **Tuesday 25th June** on the school playing field, with each class coming out one at a time to avoid any major disruptions to the normal school timetable. Children will be required to bring outdoor sports shoes and wear a coat. In the event of bad weather, the event may take place in the school hall.

The aim of this event is to raise money for the school and for the children to have fun. No previous experience is needed. All children who participate and make a donation of any size will receive a certificate. On the day your child will receive a letter to confirm how hard they managed to kick the ball to enable them to collect their sponsorship money. All monies must be handed in to the school office in a sealed envelope with your child's name and class on the front by **Friday 5th July**.

A cheque for the amount of money raised will be presented to the school in an assembly, along with certificates and the relevant prizes earned by the children that take part. This will take place on week commencing **15th July**.

Your child now has a couple of weeks to collect as many sponsors on their form as possible, with your guidance. We have advised the children who the people are they can SAFELY ask for sponsorship.

We can also provide the following incentives:

- **The highest scorer in each class (Boy & Girl) will receive a Medal.**
- **Any child raising £20 or more will receive a water bottle.**
- **Any child raising £40 or more will receive a water bottle and a PE bag.**
- **Any child raising £60 or more will receive a water bottle, a PE bag and a branded leather football.**
- **The child that collects the most sponsorship money will also receive the replica shirt of a team of their choice.**

We look forward to seeing you on the day

What Parents & Educators Need to Know about GAMBLING

WHAT ARE THE RISKS?

Gambling can be defined as betting or risking money or something of value on the outcome of a situation involving chance. Under current regulations, gambling is legal for adults in the UK, its potential impacts on the wellbeing of individuals, families and communities are well documented – emphasising the importance of safeguarding children and young people against these hazards.

MANIPULATIVE ADVERTISING

Adverts for online bookmakers and betting exchanges can raise concerns about targeting vulnerable groups, fostering addiction, promoting misleading expectations, impacting mental health, affecting social norms, posing regulatory challenges, influencing minors and other ethical issues. Effective regulation, responsible advertising practices and public education are essential to mitigate these concerns and address the potential harms associated with excessive exposure to manipulative advertisements.

FREE BET!

ADDICTIVE FEATURES

All gambling products carry safety concerns, but some can be even riskier and more addictive. The frequency with which people can place bets can encourage them to do so often – with rapid spins and multiple betting options, for example, betting on sports events, especially with live in-play betting options, can be highly engaging and habit forming. The 24/7 availability of online platforms can also increase the risk of excessive gambling, particularly among young people.

PEER PRESSURE

Exposure to gambling through friends, influencers or social circles can normalise risky behaviour and create unrealistic expectations about the chances of winning. Addressing peer influence requires support services, responsible advertising practices and effective education on the subject to minimise the impact on children and promote healthier choices.

IMPACT ON MENTAL HEALTH

Gambling can exacerbate mental health issues such as anxiety, depression, and stress – especially if it leads to financial loss and debt. Individuals with existing mental health conditions may use gambling as a coping mechanism – but the cycle of gambling can worsen their symptoms, creating a detrimental impact on overall wellbeing. Integrated support services and treatment options are crucial to address these interconnected challenges effectively.

GATEWAY BEHAVIOURS

Certain features of other products – such as video games that offer in-game purchases – can lead to gambling among young people. These mechanisms can sometimes be designed to exploit psychological vulnerabilities, encouraging repeated spending to acquire virtual items or advantages. Such practices can normalise the associated risks and desensitise young people to putting their or their family's money in danger.

FINANCIAL DIFFICULTIES

The most common impacts of online betting come in the form of financial losses and debt. This, in turn, can lead to distorted perceptions of money, deterioration of relationships, social isolation, and poor academic and career outcomes. Regular gambling can even exacerbate other risky behaviour by making it seem less significant – potentially leading to a cascade of health impacts and financial loss.

Advice for Parents & Educators

ENCOURAGE OPEN DISCUSSIONS

Sporting events can be a good opening for conversations about gambling, as some sponsorships may reference and even glamorise it. Talk to children about how these promotions make them feel and encourage frequent conversations about any concerns they may have. Adverts, influencers and online platforms may also feature gambling products. As a child grows, it's important to encourage their critical thinking skills to help them avoid being manipulated by this type of marketing.

KNOW THE WARNING SIGNS

Parents and educators should be vigilant for signs of gambling harm among young people. Look for changes in their behaviour such as increased secrecy, unexplained money issues, mood swings or withdrawal from their usual activities. Open conversations about gambling risks and maintain a supportive, non-judgemental environment. Try to familiarise yourself with resources and helplines for assistance and guidance.

MONITOR SPENDING

In-game purchases can be appealing to children, allowing them to unlock new features or cosmetic items in a fraction of the time it would take to win them by playing. Talk to children about how they spend money online, an interest in what video games they play can encourage the conversation. Consider setting up restrictions on their devices, requiring their parent or carer's permission before making any purchases. Talk about finances regularly and openly.

GET FURTHER SUPPORT

Support and treatment for young people is available via the Young People's Support Service at GamCare, who can be contacted on 0800 8020 133. A link to their website has also been included in the sources of this guide, along with links to several other support networks. Your GP and local NHS gambling clinic are also available if you require additional advice. Don't hesitate to reach out for help if you're concerned about a child's gambling behaviour or their financial situation.

Meet Our Expert

Ygam's mission is to prevent children and young people from experiencing gaming and gambling harms through awareness raising, education, and research. The charity was established in 2014 as a result of the lived experience of their founders.

This is for your information:- Pupils to be shown how to dress appropriately for PE/Swimming (appropriate clothing, long hair tied back away from the eyes, no hard head accessories)

Earrings. Ideally pupils will remove earrings however, pupils unable to remove earrings should make them safe by taping, front and back, which may offer a measure of protection. The taping should be sufficient to prevent the stud post penetrating the bone behind the ear should an unintentional blow be received from equipment such as a ball or a person. The taping may be done at home for younger children (as stated Safe Practice in PE and School Sport and Physical Activity 2016).

Summer Term 1 our allocated swimming days for each class are as follows w/c 22nd April 2024:-

Monday—Year 1 (AM)*

SPEED KICK CHALLENGE 2024

WHO'S GOT THE HARDEST SHOT IN THE CLASS?

PREMIER EDUCATION UNDERSTAND THE FINANCIAL STRAINS THAT SCHOOLS FACE. WITH THIS IN MIND WE HAVE DEVELOPED A FUNDRAISING EVENT TO GET CHILDREN ACTIVE AND RAISE MONEY FOR BOTH THE SCHOOL AND A CHARITY OF THE SCHOOL'S CHOICE.

With a summer of European football ahead, we're glad to once again be able to support our schools with this amazing event!

* Over £30,000 raised for schools in the last 3 years. * No school has ever raised themselves less than £800. * An additional 10% is donated to a charity of the school's choice by Premier Education. * All administration and organisation is provided by Premier Education.

WE'RE OFFERING OUR PREMIER EDUCATION SPEED KICK CHALLENGE TO HELP RAISE MONEY FOR SCHOOLS IN THE AREA.

This is a great way to get behind the home nations this summer, as they look to go one better than last time around and win the tournament.

All children receive a certificate of participation, along with trophies for the top scoring boy and girl in each class. There are also prizes available if certain milestones for fundraising are achieved.

The emphasis of the event is fun, with the school, parents and children, coming together as a team to raise much needed funds, with the added bonus of helping a charity of the schools choice at the same time.

ALL ADMIN IS COMPLETED BY THE PREMIER EDUCATION TEAM AND THE EVENT ONLY TAKES 30 MINUTES PER CLASS ENSURING AS LITTLE DISRUPTION AS POSSIBLE TO THE SCHOOL TIMETABLE.

“An enjoyable all-inclusive event where all children took part in a football fundraiser in celebration of the world cup. Not only did the school benefit from the fundraiser, we also raised money for a charity that is close to the school's heart. A great day and everyone enjoyed it! We will be doing this again!”
