

Hello everyone,

We would like to say a massive thank you for everybody's effort and support towards the Euro's Speed Shoot Out Challenge. A total of £1552 was raised with £150 being given to charity and £776 being raised for our school.

YR enjoyed a day at The Forest School in Clenchwarton last Friday it looks like everyone had a super day! This week has flown past in a flurry of parties and celebrations after a year of hard work!. Well deserved everyone!

All the staff wish you a safe and very happy summer. For those moving on we wish you all the best for a bright future. For those returning we look forward to seeing you in September.

Today we wish a fond farewell to our lovely Mrs Higby who will be transferring to Walpole Cross Keys in September. A massive thank you to her from all the staff, children and parents. She has been at the heart of our school for the last nine years and kept us all fantastically organised not to mention fed and watered! We wish her well in her new school and shall miss her dreadfully!

Polite reminder that we are a nut free school. Please ensure there are no nut products in snacks or pack lunches. Thank you for your understanding.

As always, we want to ensure that your experience at Clenchwarton Primary is a positive one and we will keep you informed of your child's progress or any other incidents which happen in school. If you have any concerns, in the first instance, please telephone or email the school office.

The holidays are finally upon us we wish you all a happy and safe summer.

Best wishes

Ms J Borley
(Executive Headteacher)

IMPORTANT INFORMATION

Penalty Notice Fines for School Attendance are changing!

With the introduction of the new National Framework for Penalty Notices, the following changes will come into force for Penalty Notice Fines issued **after 19th August 2024**.

Per Parent, Per Child

Penalty Notice Fines are issued to each parent, for each child that was absent. For example: 3 siblings absent for term time leave, would result in each parent receiving 3 separate fines.

National Threshold

There will be a single consistent national threshold for when a penalty notice must be considered by all schools in England of 10 sessions (usually equivalent to 5 school days) of unauthorised absence within a rolling 10 school week period. These sessions do not have to be consecutive and can be made up of a combination of any type of unauthorised absence. The 10-school week period can span different terms or school years.

First Offence

The first time a Penalty Notice is issued for unauthorised absence the amount will be:

- £160 per parent, per child paid within 28 days.
- Reduced to £80 per parent, per child if paid within 21 days.

Second Offence (within 3 years)

- The Second time a Penalty Notice is issued for unauthorised absence the amount will be:
- £160 per parent, per child paid within 28 days.

Third Offence and Any Further Offences (within 3 years)

- The third time an offence is committed a Penalty Notice will not be issued and the case will be presented straight to the Magistrate's Court. Prosecution can result in criminal records and fines of up to £2,500.
- Cases found guilty in Magistrates' Court can show on the parent's future DBS certificate due to 'failure to safeguard a child's education'.

IMPORTANT INFORMATION

Administration of Medicines at School

If your child needs prescribed medication/inhalers during school hours, please make sure a medication form is filled out. For asthma, a separate individual healthcare plan also needs to be filled out. These can be found on our website following the link below or from the school office.

<https://www.clenchwartonprimary.co.uk/page/?title=Downloadable+Forms&pid=45>

The form and the medication then needs to be handed in at the office. Please make sure the medicine is in the original container with the prescription label attached. This way we are able to check that the information and medication are correct before passing onto the class staff.

Please note; we are unable to administer medication that is not prescribed such as Calpol or Nurofen. If your child does need non-prescribed medication during the school day, we ask that you arrange to come in yourself to administer it.

Thank you.

Recent studies indicate a rising prevalence of anxiety disorders among children, but this guide has been designed to help you understand, understand, and manage these concerns.

WHAT ARE THE RISKS?

LONG-TERM CONSEQUENCES

Worry and anxiety can have long-term consequences for children, including academic difficulties, social withdrawal, and low self-esteem. Early intervention and support can help reduce these risks and improve outcomes.

THE IMPACT ON CHILDREN

Worry and anxiety can significantly impact a child's daily life, affecting their ability to focus, learn, and interact with others. Understanding the signs and symptoms can help parents and educators provide the necessary support.
