

Clenchwarton Primary School

Weekly Newsletter – 21st March 2025

Office email: office@clenchwartonprimary.co.uk

Hello Everyone,

To celebrate national science week this week the whole school have taken part in a range of fun investigations. In KS1 the children learned about animal food chains, explored what happens when oil is spilled in water and made their own rockets to launch. In KS2 the children explored the properties of different rocks, investigated reaction rates and learned about their fingerprints and evolution. They also made their own ziplines with different materials and tested them. It has been a really fun week of science learning!

It has been great to see all of the red in school today to support Comic Relief. Donations can still be made using this link. [Red Nose Day 2025 Donations](#)

We are very excited to share that the whole school is taking part in the 'Learn about Livestock' project next week. We are going to be experiencing farming first hand by caring for a ewe and her lamb(s) at our school for the week. Each class will have the opportunity to visit the lambs, learn about caring for livestock, importance of farming in food production, measuring food and incorporating some art too. We are very lucky to be taking part and are looking forward to becoming farmers for the week!

On Tuesday 25th March Year 3 will be taking part in the Dance Festival at the Corn Exchange. If you wish to purchase tickets please follow the link. You will need the afternoon performance. <https://www.kingslynncornexchange.co.uk/theatre/whats-on/event/wnssp-dance-festival-march-2025/#tickets>

We are looking for more swimming volunteers for Tuesday, Wednesday and Friday. This is for the summer term. If you are interested please visit the school office.

As always, we want to ensure that your experience at Clenchwarton Primary is a positive one and we will keep you informed of your child's progress or any other incidents which happen in school. If you have any concerns, in the first instance, please telephone or email the school office.

Best wishes

Ms J Borley
(Executive Headteacher)

Attendance

Reception:	94.2%	Year 4:	95.5%
Year 1:	94.3%	Year 5:	96.3%
Year 2:	95.1%	Year 6:	96.6%
Year 3:	95.9%		

Congratulations to * Year 6*
