Weekly Newsletter – 21st November 2025

Office email: office@clenchwartonprimary.co.uk

Hello Everyone,

Sadly next week is Mr Robinson's final week with us. We wish him good luck for his future endeavours.

Year 6 and the PTA will be holding a cake sale on the playground on Monday and Tuesday at 3:15pm to raise money for their leavers hoodies. Donations of cakes and treats would be gratefully received. These can be handed to the school office. Please bring some spare change at the end of the day to buy some sweet treats.

On Thursday year 6 attended the Chemistry kitchen science workshop at Springwood high school. The children really enjoyed the session.

Today the choir have been to Springwood to rehearse for the Christmas Carol Service at St Nicholas Chapel next month. They sang beautifully and we look forward to the concert.

As always, we want to ensure that your experience at Clenchwarton Primary is a positive one and we will keep you informed of your child's progress or any other incidents which happen in school. If you have any concerns, in the first instance, please telephone or email the school office.

Best wishes

Ms J Borley
(Executive Headteacher)

Understanding Your Child's Behaviour: A Norfolk Steps Approach - Primary Years

- Why is a child or young person behaving in a certain way?
- Why are they trying to break things?
- Why are they trying to hurt another child or adult for no apparent reason?

Our Offer:

- Sometimes it is very hard to understand why a child or young person is suddenly having a temper tantrum. Some of the things young people do seem to have no relation to what is going on around them. Parents may be exhausted or feel helpless trying to cope with the behaviour.

All sessions will be 1 hour. We advise that parents attend both sessions to gain the most out of the programme.

Session 1:

- What do we mean by behaviour?
- Flight, Fight, Freeze.
- Recognising 'Triggers.'
- Thinking about 'Before, During and After' an event.

Session 2:

- Early ideas to calm situations and keep the situation manageable for parents and children.
- Supporting children to communicate how they feel.
- Supporting children to self-regulate.
- Using reward/recognition systems.
- Restorative/repair work.

5th and 12th December 2025 3-4pm
