Weekly Newsletter – 28th November 2025

Office email: office@clenchwartonprimary.co.uk

Hello Everyone,

On Monday selected Y5 and Y6 children had a fun but cold afternoon improving their tag rugby skills on Monday at West Norfolk Rugby Club. A special mention for Dominic who greatly improved over the course of the afternoon and showed fantastic determination. Many thanks to Mrs Bolderstone for accompanying the children on this trip.

Year 1 had a wonderful time at Trues Yard enriching their history curriculum on Wednesday. The children behaved beautifully and made Mrs Lopez-Evans proud.

Some of our musically minded children who play instruments joined together with other pupils at St Clements on Thursday for a workshop and performance to parents. Mrs Tarsey was amazed by the enthusiasm the children have for music.

Earlier this week children brought home school photo preview envelopes. The deadline for Free Postage back to school is Tuesday 9th December. Orders after this date will incur postage costs.

As always, we want to ensure that your experience at Clenchwarton Primary is a positive one and we will keep you informed of your child's progress or any other incidents which happen in school. If you have any concerns, in the first instance, please telephone or email the school office.

Best wishes

Ms J Borley
(Executive Headteacher)

Understanding Your Child's Behaviour: A Norfolk Steps Approach - Primary Years

- Why is a child or young person behaving in a certain way?
- Why are they trying to break things?
- Why are they trying to hurt another child or adult for no apparent reason?

Our Offer:

- Sometimes it is very hard to understand why a child or young person is suddenly having a temper tantrum. Some of the things young people do seem to have no relation to what is going on around them. Parents may be exhausted or feel helpless trying to cope with the behaviour.

All sessions will be 1 hour. We advise that parents attend both sessions to gain the most out of the programme.

Session 1:

- What do we mean by behaviour?
- Flight, Fight, Freeze.
- Recognising 'Triggers.'
- Thinking about 'Before, During and After' an event.

Session 2:

- Early ideas to calm situations and keep the situation manageable for parents and children.
- Supporting children to communicate how they feel.
- Supporting children to self-regulate.
- Using reward/recognition systems.
- Restorative/repair work.
