Weekly Newsletter – 3rd July 2026

Office email: office@clenchwartonprimary.co.uk

Hello Everyone,

On Tuesday children who participate in Rock Steady performed to their families and KS2 pupils. We were so impressed with their musical talents.

A group of Year 5 and Year 6 children have been working hard all year as part the Brilliant Club. This is a project allowing children of primary school age the opportunity to see what life at university might be like. As part of the project they have had input from a PhD student to help them delve deeper in their work researching and analysing the political system in the UK and how democracy can be very different in other countries around the world. They had to complete homework consistently throughout the year and produced an essay at the end of it. On Tuesday, they took part in a lovely celebration of their efforts in a 'graduation' ceremony. They were an absolute pleasure to take on the tour around one of Cambridge University's colleges and have had a little taste of what University life might be like.

Thank you to the PTA for organising the Disco this week they raised a wonderful £307.11. We also wish to thank the PTA for the ice poles last week during the warm weather.

Most of the Year 4 class took part in the WNAT Dance festival on Wednesday evening. They were dancing to a 70's disco classic as part of the collaboration of performances from other schools in the Trust to dance through the decades from 1940's to the present day. They all were excited and a bit nervous before the performance but they were fantastic and had so much energy on stage! Well done all involved!

Yesterday children spent the day in their new classes with staff whilst year 6 experienced a day at high school in preparation for September.

A group of year 6's are representing our school today at the trust primary Maths Challenge. We are sure they will make us proud.

As always, we want to ensure that your experience at Clenchwarton Primary is a positive one and we will keep you informed of your child's progress or any other incidents which happen in school. If you have any concerns, in the first instance, please telephone or email the school office.

Best wishes

Ms J Borley
(Executive Headteacher)
